★★★★★ 5-STAR GOOGLE REVIEW RATING:

Hear what our customers say about us:

PayLynx is the best credit card processing company I've ever used and I've used a few over the years. The fact that they're local gives them a huge advantage over the other guys and their rates are better as well. Switching to them will almost certainly save you money. And switching to them for me turned out to be mostly painless thanks to Linda handling most of the details.
